News

October 2013

Edition

Dear Wisconsin Children's Safety Advocates:

In September 2013, the U.S. Consumer Product Safety Commission issued a total of **7 recalls relating to products affecting children**. Attached is a summary of the releases identifying the product, the problem, and what should be done with the recalled product.

We have found that not all of the recalls are picked up by the news media as they occur. This monthly summary will give you the opportunity to review all of the children's product safety recalls for the past month. If you are interested in a complete text of the recall, double click on the hyperlink at the end of the recall description. This will direct you to the recall notice located on the CPSC website.

If you have other product safety questions, you may call our toll free number at **(800) 422-7128**. The following is a listing of the 10 "KIDS" recalls by title and identification number (when available):

- **The Land of Nod Recalls Bed-Frames Due to Entrapment Hazard** ([13-751](#))
- **The Children's Place Recalls Footed Pajamas Due to Violation of Federal Flammability Standard** ([13-286](#))
- **Hachette Book Group Recalls Children's Books Due To Choking and Laceration Hazards** ([13-284](#))
- **Cambridge Metal & Plastics Recalls Motorcycle Training Wheels Due to a Crash Hazard** ([13-281](#))
- **Be Amazing! Toys Recalls Monster Science Growing Spiders Due to Serious Ingestion Hazard** ([13-279](#))
- **Eco-Novelty Recalls Jumbo Size and Jumbo Multipurpose Cosmo Beads Toys Due to Serious Ingestion Hazard** ([13-278](#))
- **Toys R Us Recalls Journey Girl Travel Trunks Due to Laceration Hazard** ([13-292](#))

KEEP YOUR KIDS SAFE

Release Number: (#13-751) The Land of Nod, of Morton Grove, Ill., is announcing the voluntary recall of about 1,500 Iron Sleigh, Petal and Picket bed-frames. This recall includes iron bed frames in twin and full sizes. The recalled bed styles are the white “Iron Sleigh”; the white or antique white “Petal” with a large flower design in both the head and footboards; and the dark grey “Picket” with horizontal ladder-style head and footboards. Some of the frames have a label on the headboard or footboard that has the “The Land of Nod” and the SKU number printed on it.

Problem: The openings in the headboard and footboard pose an entrapment hazard to young children.

What to do: Consumers should keep young children away from these beds and contact The Land of Nod to arrange for the bed to be returned for a full merchandise credit for the purchase price. Consumers with models that do not have a label with the SKU number printed on it should contact the firm for assistance with identifying whether or not their bed is part of the recall. The Land of Nod is contacting its customers directly.

You can contact The Land of Nod by calling toll-free (855) 341-4325 from 9 a.m. to 4 p.m. CT Monday through Friday, e-mail recall@landofnod.com or online at www.landofnod.com and click on Product Recalls at the bottom of the page for more information.

Release Number: (#13-286) The Children’s Place, of Secaucus, N.J., has announced the voluntary recall of about 38,000 in the United States and 3,280 in Canada children’s one-piece footed pajamas. This recall involves three styles of The Children’s Place bunny-themed one-

piece cotton footed pajamas. One style is pink with dark pink bunnies and a ruffle at the neck. It was sold in size 9-12 months. This style has a sewn-in label at the side seam with both 2158 and one or more of the following numbers: 042521, 042523, 042571, 042572, 042774 or 042816. The other two styles are both blue/green with bunnies on the feet and bunny print fabric. They were sold in sizes 9-12 months, 12-18 months, 18-24 months, 2T and 3T. One style has bunnies with eyeglasses. The other has bunnies and yellow chicks. Both styles have a sewn-in label at the side seam with both 2598 and one or more of the following numbers: 030647, 030779, 038826, 670409, 670602, 670603 or 945210. “Made with love by PLACE” with a heart outline is printed at the neck of the pajamas. .

Problem: The footed pajamas fail to meet the federal flammability standard for children’s sleepwear, posing a burn hazard to children. The garments are being recalled because they do not meet the tight-fitting sizing requirements.

What to do: Consumers should immediately take the recalled pajamas away from children and return them to any The Children’s Place store for a full refund. You can contact The Children’s Place by calling toll-free at (877) 752-2387 between 9 a.m. and 5 p.m. ET Monday through Friday, or online at www.childrensplace.com and click on Customer Service for more information.

Release Number: (#13-284) Hachette Book Group, Inc., New York, N.Y., announces the voluntary recalls about 70,000 children’s books titled “Count my Kisses, 1, 2, 3” and “Red,

Green, Blue, I Love You". The board-shaped children's books have cut out covers that serve as a handle and include an embedded bar in the handle with beads for children to play with. "Ages 3+" is printed on the back covers and the ISBN numbers are also on the back covers near the bar code. Two titles are included: *Count my Kisses*, 1, 2, 3, ISBN: 978-0-316-13354-8, has five colored cylindrical wooden beads with printed hearts on the rod; and, *Red, Green, Blue, I Love You*, ISBN: 978-0-316-13353-1, has five colored circular wooden beads on the metal rod.

Problem: A metal rod holding small beads on the cover of books can detach and release small parts that present a choking hazard. A detached metal bar can expose a sharp edge posing a laceration hazard.

What to do: Consumers should immediately take the recalled books away from children and return them to the place of purchase for a full refund. You can contact Hachette Book Group at (888) 965-5802 from 8 a.m. to 5 p.m. ET Monday through Friday.

Release Number: (#13-281) LeMans Corporation Inc., of Janesville, WI., announces the voluntary recall of about 4,000 motorcycle training wheels. The recalled products are Moose Racing brand training wheels for youth motorcycles and the replacement wheel kit. The training wheels have a black, one-piece, full-length metal axle with a plate that attaches to the underside of the motorcycle frame beneath the engine and two inflatable rubber wheels. The Moose Racing logo appears on the left and right sides of the axle. The replacement wheel kit is a set of two tires mounted on the wheel assembly. Replacement wheel kits and training wheels that fit the following youth motorcycle models are being recalled: Honda XR/CRF 50, Kawasaki KDX/Suzuki JR 50, KTM 50, Suzuki DRZ 70, Yamaha PW50 and Yamaha TTR 50.

Problem: Bolts and nuts securing the wheel can loosen and cause the rider to lose control, posing a crash hazard.

What to do: Consumers should immediately stop using the recalled training wheels, remove them from the motorcycle and contact Cambridge Metal & Plastics to have them repaired free of charge. You can contact Cambridge Metal & Plastics toll-free at (800) 457-0580 from 8 a.m. to 5 p.m. CT Monday through Friday or online at www.cmp-www.com and click on Training Wheel Recall for more information.

Release Number: (#13-279) Be Amazing! Toys, of Salt Lake City, UT., voluntarily recalls about 26,500 Monster Science Growing Spider toy sets, model number 7280. The sets contain marble-sized polymer ball "spider eggs" that can absorb from 300 to 800 times their weight in water and can grow up to eight times their original size. The sets consist of one polymer spider and three "spider eggs". The Be Amazing! Toys star logo and the words Monster Science Growing Spider, Ages 8+, Just drop in water, Grow Giant Spider Eggs and Eggs Grow Up to 8X Original Size are printed on the front of the packaging. The model number is on the bottom of the back of the packaging. The front and back of the packaging have warnings not to use the toy without adult supervision.

Problem: The soft and colorful product can be mistaken by a child for candy. When the marble-sized toy is ingested, it can expand inside a child's body and cause intestinal obstructions, resulting in severe discomfort, vomiting, dehydration and could be life threatening. The toys do not show up on an x-ray and need surgery to be removed from the body.

What to do: Consumers should immediately take this recalled toy away from children and contact Be Amazing! Toys for a refund. You can contact Be Amazing! Toys toll-free at (877) 798-9795, from 9 a.m. to 5 p.m. ET Monday through Friday, or online at www.beamazingtoys.com,

then click on Safety Recall at the bottom of the page for more information.

Release Number: (#13-278) Eco-Novelty Corp., of Troy, MI., voluntarily recalls about 3,500 Cosmo Beads Jumbo Size Colorful Water Balls and Jumbo Multipurpose Colorful Water Balls toys are being recalled. The toys are water absorbing beads that when placed in water will hydrate up to the size of a racquetball. On the front of the toy packages it states Cosmo Beads™ Colorful Water Balls, Just Add Water, Biodegradable, Non-toxic and Colorfast. The packages have yellow and black color on the upper left corner and red in the lower right corner. The beads can be seen through an oval, cellophane window near the bottom of the package. Cosmo Beads Jumbo Size were sold as single packets of beads in various colors: clear, green, purple, red and mixed colors. Each packet contains a variety of bead sizes. The front of the Jumbo Size package has a picture of a hand holding two water balls and the words "Grows up to 600X (1.5") Size." Cosmo Beads Jumbo Multipurpose came in three packets per set. Each packet contains beads in one size and comes in clear, dark purple and orange colors. The front of the Jumbo Multipurpose packet has a picture of flowers in a glass vase and the words "Deco Centerpiece: Toys-Games: Plant-Vacation watering."

Problem: The hard and colorful toy can be easily mistaken for candy by a child. When the bead is ingested, it expands and can cause intestinal obstructions inside a child's body, resulting in severe discomfort, vomiting, dehydration and could be life threatening. The toys need surgery to be removed from the body. Similar toys have not shown up on x-rays. resistant, posing a risk of burn injuries to children.

What to do: Consumers should immediately take this recalled toy away from children and contact Eco-Novelty for a refund. You can contact Eco Novelty Corp. at (231) 222-4200

from 9 a.m. to 5 p.m. ET Monday through Friday, or e-mail admin@econoveltycorp.com.

Release Number: (#13-292) Toys R Us Inc., of Wayne, N.J., voluntarily announces the recall of about 12,650 Journey Girl Travel Trunks used to carry 18-inch-tall toy dolls. The 21-inch tall curved top trunks are purple with a blue pattern and a blue metal handle. The trunks were sold with three clothes hangers and two pull out drawers for storage. Travel trunks included in the recall have UPC # 48970277965070 and model number 5F5F79E. The model number is printed on the bottom of the travel trunk next to the UPC code.

Problem: The blue metal handle on the trunk can be sharp, presenting a laceration hazard to the user.

What to do: Consumers should immediately stop using the travel trunk, put it out of reach of children and return it to a Toys R Us store for a full refund or store credit. You can contact Toys R Us at (800)869-7787 from 9 a.m. to 11 p.m. ET Monday through Saturday and 10 a.m. to 7 p.m. ET on Sunday or online at www.toysrus.com, then click on About Us, then select "Safety" at the top of the page, and then "Click here" under Product Recalls. Build-A-Bear toll-free at (866) 236-5683 between 8 a.m. and 8 p.m. CT Monday through Friday, on Saturday between 9 a.m. and 6 p.m. CT and on Sunday between 10 a.m. and 7 p.m. CT.
